Ald. Farha, seconded by Ald. Sassen, moved the reports be received and vouchers be issued for the various amounts and on the roll call each of the 13 Aldermen voted yea, with 1 absent. Motion carried.

REQUEST TO SPEAK

Written request to speak under suspended rules by Nathan Pool, Quincy Firefighter Union President Local 63, to offer points on the Automatic Mutual Aid Response Agreement between the Quincy Fire Department and the Tri-Township Fire Protection District.

Rules Suspended

Ald. Havermale moved the rules be suspended at this time to hear from the above individual. Motion carried. Nathan Pool, 6825 Horseshoe Court South, Quincy Firefighter Union President Local 63, spoke on the Automatic

Mutual Aid Response Agreement between QFD and Tri-Township Fire Protect District. He had a handout showing the Fire Districts for Quincy. There are risks and rewards sending the QF trucks outside of the city limits. The TTFD Response Benefit to the city is out on the east end, delayed response due to Station 6 closure, Engine 4 would have a delay, Engine 5 on south end of town and Engine 3 covers a huge area and is the only fire station east of 12th Street. They would have a large area uncovered if the Automatic Mutual Aid Agreement goes through. They would urge the reopening of Station 6 especially if City Council decides to go with the Automatic Mutual Aid Response Agreement.

Ald. Havermale moved the rules be resumed. Motion carried.
